

ENTREPRENEURSHIP AND SKILL DEVELOPMENT PROGRAM

COLLABORATION BETWEEN THE ESDP (MSME) & INDIAN INSTITUTE OF MANAGEMENT RAIPUR

Raipur | Chhattisgarh | India

Program Introduction

To address the growing need for practical skills and strategic insights, in collaboration with the Entrepreneurship and Skill Development Program (ESDP) Division of MSME, IIM Raipur is conducting two advanced training initiatives. These programs are designed to empower aspiring business owners with the tools and knowledge necessary for business growth and to launch sustainable new ventures.

Advanced E-SDP for New Venture Creation

This program is tailored for aspiring entrepreneurs who aim to transform their innovative ideas into successful businesses. Over the course of 5 working days, participants will gain in-depth knowledge of critical areas for starting a new venture.

Advanced MDP for Business Scale-Up for MSMEs

The Advanced MDP for Business Scale-Up for MSMEs is designed to support MSME owners and managers in navigating the challenges of scaling their businesses. This 6-day program provides participants with the necessary strategies and tools for expanding their operations, building scalable business models, and achieving sustainable growth.
